**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In compliance with the duty imposed by 37 C.F.R. § 1.56, and in accordance with C.F.R. §§ 1.97 *et. seq.*, the materials enclosed herewith are brought to the attention of the Examiner as possibly being of interest in connection with the above-identified patent application.

Consideration of each of the documents listed on the attached Form 1449 is respectfully requested. Pursuant to the provisions of M.P.E.P. §609, Applicant further requests that a copy of the Form 1449, marked as being considered and initialed by the Examiner, be returned with the next Official Communication.

The filing of this supplemental information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

This information disclosure statement includes some documents from the pending *Cardiovention v. Medtronic* lawsuit in Federal Court in Minnesota. Cardiovention has said the following in court papers:

Cardiovention first presented the CORx disposable IOS without a confidentiality agreement at a trade show on January 24, 2002, accompanied by a short animated video. Later,

10/04/2006 WABDELRI 00000095 132546 10743598  
01 FC:1806 180.00 DA

similar information regarding the CORx disposable was placed on CardioVention's website. CardioVention first sold the CORx disposable IOS internationally to a German distributor in November 2001. However, the CORx disposable IOS was not offered or sale to the public in Europe until March 2002 and first sold in the United States on April 17, 2002, after it received FDA clearance.

Enclosed are machine translations (uncertified) of Italian patent application Nos. MO2005A000243 and MO2005A000244.

Please charge the fee of \$180.00 pursuant to 37 C.F.R. Section 1.17(p) for the submission of this supplemental information disclosure statement to Deposit Account No. 13-2546.

Respectfully submitted,

Robert W. Olsen, et al  
By their Representatives,

By:   
Jeffrey J. Hohenshell
